

Very preliminary plant list for Odlin South

Preliminary List, from field visits in 2007

Madrona Murphy for Kwiaht: Center for the Historical Ecology of the Salish Sea

Plants marked with an asterisk (*) are considered to be non-native on Lopez

Non vascular plants

Equisetaceae

Equisetum tolmatieia Giant horsetail

Ferns

Polypodiaceae

Athyrium felix-femina Lady-fern
Polystichum munitum Sword fern
Pteridium aquilinum Bracken

Trees and Shrubs

Cupressaceae

Thuja plicata Western red cedar

Pinaceae

Abies grandis Grand fir
Pseudotsuga menziesii Douglas-fir

Salicaceae

Populus tremuloides Quaking aspen
Salix hookeriana Hooker's willow
Salix lasiandra Pacific willow
Salix scouleriana Scouler's willow

Betulaceae

Alnus rubra Red alder

Berberidaceae

Mahonia aquifolium Tall Oregon-grape

Saxifragaceae

Ribes lacustre Swamp gooseberry

Rosaceae

Amelanchier alnifolia Western serviceberry
Holodiscus discolor Ocean spray
Malus fusca Pacific crabapple
Prunus emarginata Bitter cherry
Rosa gymnocarpa Little wild rose
Rosa nutkana Nootka rose
Rubus discolor Himalaya blackberry*
Rubus laciniatus Evergreen blackberry*
Rubus spectabilis Salmonberry

Rubus ursinus Trailing or wild blackberry
Spirea douglasii Hardhack

Aquifoliaceae

Ilex aquifolium English holly*

Cornaceae

Cornus sericea Red-osier dogwood

Caprifoliaceae

Lonicera ciliosa Orange honeysuckle

Sambucus racemosa Red elderberry

Symphoricarpos albus Snowberry

Forbs (herbaceous flowering plants)

Urticaceae

Urtica dioica Stinging nettle

Polygonaceae

Rumex acetosella Sheep sorrel *

Rumex crispus Curly-leaved dock *

Caryophyllaceae

Cerastium glomeratum Sticky chickweed *

Stellaria bogardiana Northern starwort

Ranunculaceae

Ranunculus flammula Creeping spearwort

Saxifragaceae

Tellima grandiflora Fringe-cup

Tiarella trifoliata Western foamflower

Rosaceae

Geum macrophyllum Large-leaved geum

Fabaceae

Trifolium repens White clover *

Vicia hirsuta Hairy vetch *

Onagraceae

Epilobium ciliatum Hairy willow-herb

Apiaceae

Oenanthe sarmentosa Water-parsley

Osmorhiza chilensis Mountain sweet-cicely

Primulaceae

Trientalis borealis Broad-leaved starflower

Lamiaceae

Prunella vulgaris Self-heal
Stachys colleyae Cooley's hedge-nettle

Scrophulariaceae

Euphrasia stricta Hairy eye-bright *
Parentucellia viscosa Yellow bartsia or Lousewort *
Veronica americana American speedwell

Rubiaceae

Galium trifidum Small bedstraw

Asteraceae

Adenocaulon bicolor Pathfinder
Anaphalis margaritacea Pearly everlasting
Cirsium arvense Canada thistle *
Cirsium brevistylum Indian thistle
Cirsium vulgare Bull thistle *
Hypochoeris radicata Hairy cat's-ear *
Mycelis muralis Wall lettuce *
Senecio jacobacea Tansy ragwort *

Liliaceae

Smilacina stellata Star-flowered Solomon's seal

Graminoids (grasses, rushes and sedges)

Juncaceae

Juncus effusus Common rush

Cyperaceae

Carex deweyana Dewey's sedge
Carex obnupta Slough sedge

Poaceae

Holcus lanatus Yorkshire fog or Velvet grass *
Phalaris arundinacea Reed canarygrass or Canary reedgrass *
